Straight Rye Gets A Fresh New Makeover

Dad's Hat Rye is very excited to announce that we are transitioning our straight whiskey from a previous standard of 3 years old to a minimum age of 4 years old. To celebrate, we are marking the upgrade with a new green label so it will be easy for fans to pick out this new product.

After many of our own internal taste tests, and industry expert evaluations, we concluded that the extra time in the barrel is worth the wait.

Distillery Tours

Now is the perfect time of year to visit our distillery for a tour. Guests can see up-close how we take locally grown rye grain and turn it into delicious Pennsylvania Rye Whiskey.

You will have the opportunity to taste and purchase special products that have limited availability outside the distillery like our new **4-Year-Old Straight Rye**, **Maple Finish Rye**, our **Rock & Rye**, **Honey Finish Rye**, barrel aged cocktails and so much more.

And, we will be open every evening from 4pm to 7pm during the week starting December 10th for your holiday purchases, or if you just want to stop in for a cocktail.
