

CLASSIC RYE SPICE KISSED

WITH REAL HONEY FLAVOR

The perfect fit of
sweet and spice,
no artificial anything.

Quarter casks used to age Dad's Hat whiskey are refilled with orange blossom honey from southern New Jersey. That citrus-tinged nectar rests in our barrels for several months before being harvested and replaced by our trademark rye whiskey yet again to finish for many more months. The result is a unique rye spirit with a remarkably light natural honey sweetness.

EXTREMELY LIMITED RELEASE

Featuring a sweet and creamy mouthfeel ending in a soft, lingering finish. This real deal honey finish whiskey tastes like no other. All the rye spice is there, brightly complemented with the charming character of 100% pure honey.
